Attorney Docket No. 7017/ETCH/CONE :

OFFICE OF PETITIONS
ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed April 22, 2004, to revive the above-identified application.

The petition is **GRANTED**.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Since the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is **not** a correct interpretation of the statement contained in the instant petition.

The issue and publication fees were charged twice to petitioner's deposit account. In view thereof, one of the issue fees will be credited towards the petition fee and the duplicate publication fee will be credited to petitioner's deposit account in due course.

Telephone inquiries concerning this decision should be directed to the undersigned at (703) 306-3475.

The application file is being forwarded to the Publishing Division to be processed into a patent.
